Vineyard

Located at high elevation, the celebrated **Boushey Vineyard** produces wines of distinct character with balanced acidity. Layered soils and long, cool, slow ripening time allow for complex flavor development. 2011 was the first harvest using Boushey fruit for Syncline Winery. We are so impressed by the quality, delicious complexity and brilliant acidity, we plan to keep working with this vineyard for the long term.

The fruit was hand harvested and 25% whole cluster fermented in small open top containers. Pressing occurred just before dryness. This bottling contains 100% free run juice that was aged in older french oak. Unfined. A light polish filtration preceded bottling. 16 months elevage.
